

News from Kenya and East Africa

Jim and Karen Crumpacker

Look what your PIM Dollars have done!

1st Quarter 2009

Crusade:

After many months of planning and work the UPCK crusade for Kenya got underway in Bungoma, Kenya on December 11th. For the next four days we saw God work in an awesome way among those that attended. Pastor Myron Wideman was our guest speaker. Seventy Nine souls were filled with the Holy Spirit, seven were baptized and seventeen people claimed a significant healing in their bodies. A new church was established in Bungoma out of this meeting.

Bible School:

We finished the first year of Bible School December 5th. We have students from Uganda, Sudan and Kenya. One of the students from Uganda is spending the term break evangelizing in Sudan! We were grateful for Ivor and Norma Reuter of Spencer, Iowa for being with us this term helping in the Bible School-teaching and doing building repairs.

Youth Conference:

December 4 to 7 saw the youth of the United Pentecostal Church of Kenya gather together in Nairobi for their annual Youth Convention. They were blessed by the preaching and teaching of Pastor Myron Wideman of Atlanta, Georgia. We are most thankful for the 35 young people who experienced the infilling of the Holy Spirit. All went home encouraged and excited about the things God is going to do in their lives.

East Africa Travels:

We traveled to Tanzania in November for their General Conference and Bro. Crumpacker traveled to Ghana for an area coordinators meeting.

New Missionary Family:

We were excited to welcome the Patrick Groves family to the missionary team of East Africa. Bro. and Sis. Groves and their 3 children arrived on January 9th to work in Kenya and prepare themselves for the eventual move to the nation of Sudan.

THANK YOU partners for your support and prayers in 2008. It was a very difficult year for the nation of Kenya. We are thankful that we came through it and now see greater things for His church in Kenya in 2009.
