**Look what your PIM Dollars have done!**

**Bible School:**

We started our 2<sup>nd</sup> year class of Bible School in March. With twelve students from 3 countries.

**East Africa Travels:**

February 25 to March 1: Bro. Crumpacker was in the small East Africa nation of Burundi with Pastor Kevin Borders of Norman, OK. Their main purpose for the trip was a seminar, but they also ministered in 6 other services in various churches. The seminar was for 2 days and was attended by over 30 UPC pastors and over 40 leaders and pastors from other groups. The teaching was well received and early on Sunday morning seven pastors were baptized. Seven other pastors immediately invited our leaders to come to their churches and teach their people and baptize them and their people. Several more acknowledged the teaching as Biblical truth but were not sure what they were going to do with it. A Lutheran Bishop was very troubled and expressed if he embraced this teaching he would lose everything he had. Pray for these men that the Lord will give them courage and that He will lead them into all truth.

**Annual Ministers Conference:**

The 2009 Kenyan Ministers conference was held Feb. 19-22. Because of the political upheaval in Kenya last year we were not able to hold this meeting in 2008. It was wonderful to see so many of our pastors again. Pastor Kevin Borders was our guest speaker. The Lord used him in a mighty way to lift us to new desires to see Kenya reached for the sake of the gospel.

THANK YOU partners for your support and prayers. *Jim and Karen*
